Authority and Reference: Pursuant to the authority vested by Section 1614 of the Business and Professions Code, and to implement, interpret or make specific Sections 1646.4 and 1647.7 of said Code the Dental Board of California is considering changes to Division 10, Title 16 of the California Code of Regulations as follows:

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Amend 16 California Code of Regulations, Section 1043.2

Title 16, California Code of Regulations, Section 1043.2 is the Composition of the Onsite Inspection and Evaluation Teams for the Conscious Sedation and General Anesthesia permit program. Through the evolution of this program, it has become apparent that evaluators, like all licensees, benefit from periodic training. One of the proposed amendments would require all evaluators to take a board-approved training course prior to appointment as an evaluator. With regard to the second proposed amendment, there is occasionally in the public interest a need to remove an evaluator from the program; this proposed amendment would allow the Dental Board of California the flexibility to remove an evaluator at any time and without cause.

FISCAL IMPACT ESTIMATES

Fiscal Impact on Public Agencies Including Cost or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None

Nondiscretionary Costs/Savings to Local Agencies: None

Local Mandate: None

Cost to Any Local Agency or School District for Which Government Code Section 17651 Requires Reimbursement: None

Business Impact:

The board has made an initial determination that the proposed regulatory action would have no significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states.

Impact on Jobs/New Businesses:

The Dental Board of California has determined that this regulatory proposal would not have any impact on the creation of jobs or new businesses or the elimination of jobs or existing businesses or the expansion of businesses in the State of California.

Cost Impact on Representative Private Person or Business:

The Dental Board of California has determined that an individual who would be required to take a board approved training course prior to appointment, as an evaluator would incur a cost associated with the training course.

Effects on Housing Costs: None

EFFECT ON SMALL BUSINESS

The Dental Board of California has determined that the proposed regulations would not affect small businesses. The proposed changes, however, would have a minimal cost impact to an individual who would be required to take a board approved training course prior to appointment as an evaluator.

CONSIDERATION OF ALTERNATIVES

The Dental Board of California must determine that no reasonable alternative which it considers or that has otherwise been identified and brought to its attention would either be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposal described in this Notice.

Any interested person may present statements or arguments orally or in writing relevant to the above determinations at the above-mentioned hearing.
